“Peace by Piece”

December 2025

Issue 39

Volume 12

Hi all,

As we start our Holiday season, I first would like to say how grateful I am for all of you. I know in your heart you cherish this Guild. With every Guild meeting, show and tell I see how much talent you all have, and I feel blessed to know everybody. I want to remind you that we will not have a meeting on December 6 because the church has a prior commitment. So, we will only have a day meeting this month.

When you vote on the dues increase, please keep in mind the increases in our yearly expenses. So, pay attention to the Treasurer’s report and feel free to ask questions if you are confused. The results will be reported as soon as we can.

Thank you again for all your support and prayers.
