Message from Guild President July 2025

Good day, fellow members,

I'd like to begin by sharing the results of the recent survey conducted during both meetings. The majority of members expressed a preference to **keep our current meeting schedule unchanged**. Thank you to everyone who participated and shared their input.

Please remember to check our Facebook page and the PPQG Members Page regularly for updates on upcoming events and important dates.

I look forward to seeing you at our Tuesday evening and Friday morning guild meetings!

Warm regards,

Shonda

Thank you for your patience as I put together the newsletter the last few months. Again this month, I will keep it very brief. The necessary items only will be included.

Linda Odell will pick up her volunteer duties with the newsletter for August 2025. There are some great changes coming! Keep your eyes open as we move into a new platform for our all news, announcements, pictures, calendar of events and general information.

Thanks, Debra Webb
