

Fall-O-Ween

It's almost time for Fall-O-Ween in Newport News Park -full of laughter, good food, fun, crafts and many other items. Take a nice walk through the park. We have had many booths there and our Guild (PPQG) will receive a monetary gift from Fall-O-Ween for showing up with a booth for the event telling you all about the quilts that are there and a little of what we do. We are in need of:

- Quilts with Labels (**labels must be attached or they will not be the responsibility of the Committee to guarantee return.**).
- Possibly a table.
- There are still times open for you to volunteer to man the booth.
- Please call Candy Byrd, Karen Carr or Debbie Moore if you have any questions.

Come and have some fun and support your Guild.

Candy, Karen and Debbie

UFO Information

The next UFO Challenge is due at either of the September meetings. Bring your completed project with label to either meeting and show it to Jean Bailey or Barbara Rutan. We will check you off and you get to enter the Sept drawing! The drawing will be held on Friday, Sept.12 meeting. If time allows you will get to say something about your projects but if time runs short, then we will just have a "group show" of completed projects.

Nov 14--day meeting -- There will be a drawing for those who completed a UFO in Nov. END of UFO challenge.

Dec 12--day meeting-- There will be a drawing for everyone who participated in UFO's all year long. If you finished a UFO and didn't get to talk about it during a previous meeting, there is 30 minutes total allotted at both meetings in December for UFO participants to talk about one of their UFO's.
