

Damien Auge's Eagle Project

What am I trying to do?

For my Eagle Project, I am trying to create around 400-500 no-sew tied fleece blankets to donate to Project Linus, which is a nonprofit organization which assists children who have been touched by trauma. Blankets are collected locally and distributed to children in hospitals, shelters, social service agencies, or anywhere that a child might be in need of a big hug.

What to donate?

50"x60" Fleece
60"x60" Fleece
72"x60" Fleece
2 yards of Fleece
