## Message from your Guild President

Happy Fall Guild Members,

Thank you Susan Waddles for all your hard work on our 40th anniversary celebration. I hope to see you all there. I would also like to thank Candy Byrd and Karen Carr on chairing the Fall-O Ween in NN park on Oct. 4-5. Thank you in advance for all the volunteers and those who are allowing us to display their quilts so the public can see how talented our Guild members are.

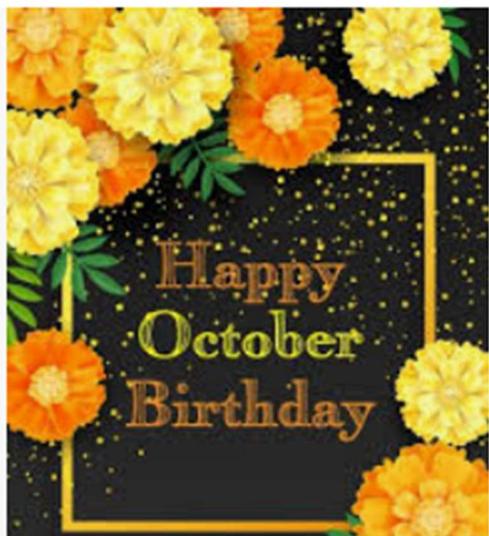

See you there.

Mershonda
