

## Special Projects and Workshop

### 2025 News

At the October meetings, Frances McCay, Carol Pittman and Frances Tweedy each donated quilts to Small Service Projects. Shirley Land donated a fabric book and poster. We also received a total of 67 fabric hearts from Sherry Gotterup (17), Jane Grant and the Yorktown Ladies Bee (27) and Mary Lamm (23)! Thank you so much!!

The program for the October day meeting was hands on sewing of baby quilt tops. Thank you to the dedicated members that stayed for the program and also those that took kits home to complete! We appreciate Calie Mowery for quickly layering and quilting the baby quilts for us. We were able to distribute 25 quilts for binding at the night meeting. Hopefully all finished quilts will be returned at the November meetings and we can report the totals for this project. Many thanks to all that helped us!!

Shonda Berry and Peggy Taylor  
Small Service Project Coordinators
